Current Comment

While the boys argue over the best place to dam the Los Gatos creek, hundreds of thousands of acre feet of water, the life's blood of this valley, pour under the local bridge and gurgle merrily on their way to the sea. Or rather the Alviso slough, which is a terrible come-down for good, clean rain water.

If the local water committee and the directors of the conservation district met with the cooperation they deserve, the chances are that there would even now be at least one workable dam in the creek. They have, however, met with a number of set-backs which do not speak well for the spirit which should be displayed in this conservation scheme.

To make a success of the undertaking, the individual must learn to subjugate his will to the judgment of the majority and the best interest of the many. Petty differences of opinion must find compromise, and the conservation committeemen must be given a free hand, else next winter will find us still unprepared to take advantage of the flood waters of Los Gatos creek.

A young lady, who recently figured as a witness in a sensational murder trial, was reported, at the time, as about to become a mother, and this without benefit of clergy. She was soon married, however, and people settled down to mind their own business—all, that is, except the newspapers.

The same young lady, now happily married, recently had her baby at the county hospital, and a San Jose evening paper, in reporting the event, did so with considerable gusto, noting that the young mother had registered at the hospital under another name "in a vain effort to avoid publicity."

A human desire, particularly so in the case of one who has already had too much of it for her own peace of mind.

It is a shameful commentary on the public appetite for sensationalism and "scandal," no matter how old; an appetite which has, however, been fostered and catered to by an even more shameful press. And so it is in every community.

With one San Jose youth at liberty on $10,000 bail, charged with participating in the recent lynching of Holmes and Thurmond, and other arrests expected momentarily, Gov. Rolph reiterates his approval of the lynching by asserting that he will pardon any and all persons convicted of taking a part in the mob action.

The same man, God help him, at the last session of the California state legislature, signed an anti-lynch bill making the crime punishable by imprisonment from one to 20 years. With that signature, and in view of subsequent events, "Sunny Jim" signed his own political death warrant.

COUNTRY WOMEN PLAN CHRISTMAS PARTY FOR 18TH

The Country Woman's club will enjoy its annual Christmas program next Monday. The committee has planed some unusual features which promise an interesting afternoon. Members are requested to label their gift packages so that the contents may be known without removing the Christmas wrapping

Members are urged to be present, and guests will be welcome.

Herbert Hoover Invited To Speak Here On Feb. 22

That Herbert Hoover, former president of the United States, has been invited to speak here on the occasion of Old Settlers' day and Washington's birthday, was disclosed yesterday by H. M. Shadle, president of the local chamber of commerce, and general chairman of the day at the annual celebration, Feb. 22.

Ira Abbott, chairman of the speaker committee, will also manage the evening entertainment to be staged by the Kiwanis club. The Women's Service club has been asked to assume responsibility for the afternoon program, and A. A. Thielke, director of music at the schools, will have charge of the day's musical offerings. Judge J. D. Blaine is publicity man.

CAMPBELL BALL CLUB TIED FOR LEAD IN LEAGUE

By Hal De Fraga

Last Sunday the Campbell nine journied to Centerville and trimmed the Merchants by a 12 to 6 score. The win kept Campbell in a perfect score tie for first place with the Napredaks.

Campbell started out in the first half of the first inning when the big guns collected plenty of base hits.

Thurber grounded out to shortstop, Atkinson worked Wilson for a free pass to first and then stole second. Tucker struck out, and Jung got hit by a pitched ball. Wood got a nice hit into right field to score Atkinson. This brought "Home Run" Reed to bat with two gone and two men on bases. He calmly plastered one over the centerfielder's head for his fourth home run in the last five starts. Clark punched a single into left field, and De Fraga struck out to end the inning.

Wilson settled down, and only one man reached first base until the fifth, and that was a base on balls to De Fraga.

It was in the fifth that Campbell batters got their sights adjusted and collected seven hits to drive in five runs. Atkinson started off with a single and Tucker flew out to centerfield. Jung singled into left, and Wood popped out to second base. Then Reed, Pusatera, who replaced Clark in right field, De Fraga, Quain and Thurber all hit in a row to score five runs. Atkinson, up for the second time, struck out to end the inning.

Campbell went hitless in the sixth, but opened up to score three runs in the seventh to make a total of 12. Reed started off with his third hit of the game, a slashing double into left field. Pusatera followed with his second hit, and De Fraga brought in Reed with a perfect squeeze play. Quain came through with his second hit to score Pusatera. Thurber forced Quain at second, and Atkinson got another single and scored on H. Robinson's error on Tucker's drive to short. Jung struck out to end the inning.

Quain pitched perfect ball for Campbell, and had the Centerville batters befuddled in all except the seventh inning, when they scored six runs, with only one of them earned, however.

H. Robinson got an infield single in the first. Perry singled in the second. W. Robinson singled in the fourth, and Wilson in the fifth. W. Robinson came through with a long double in the sixth.

In the seventh frame, Centerville scored six runs. Rose started off with a single. Azenedo struck out and Perry flew to short. Dundas then got a single and Belshaw, batting for Wilson, singled to bring in Centerville's only earned run. Atkinson threw H. Robinson's grounder over Tucker's head. Three more hits and a base on balls along with another error by Atkinson let in five more runs before Perry flew out to right field to end the inning.

Quain settled down for the rest of the game and W. Robinson collected his third hit in the ninth. All in all Campbell collected 16 hits, and Centerville 11. This was the first game in which Campbell had been able to bunch their hits to the best advantage. Quain whiffed nine of the Merchants, which keeps his average to one an inning.

W. Robinson and Reed each secured three hits, while Thurber, Atkinson, Pusatera and Quain each collected two. Every Campbell man got at least one hit.

Next Sunday, if it doesn't rain, Los Gatos will play at Campbell in the third game of the league schedule. Every ball fan should be out to support the team.

Gun Drawn On Don McQueen In San Jose Dispute

The climax of an altercation over a parking space in San Jose last evennig was reached when William Scheler, Jr., 230 Brooklyn avenue, introduced a huge pistol into his argument with Donald McQueen, Campbell, who was accompanied by Mrs. McQueen and L. E. Odlum of San Jose.

Scheler was disarmed by Sergent Guerin, and charged by McQueen, before Police Judge Percy O'Connor, of assault with a deadly weapon. Scheler denied that he had drawn the gun, asserting that he had merely drawn his coat back to reveal the weapon.

Yesterday Scheler had been held to answer to the superior court as originally charged. Unable to produce $1,000 bail, he remains in the bastile. A conviction will go hard with the man, as a previous record may lead to life imprisonment.

"FARMERETTES," NEW AGGIE CLUB AT LOCAL HIGH

By Marjorie Prout

There was recently organized, among the girls of the agricultural classes at Campbell high school, a "Future Farmerette Society of America," believed to be the only organization of its kind in the state.

Our work consists of home beautifying and landscape gardening.

With the able assistance of our teachers, Mr. York, Mr. Hughes and Mr. Fitzsimons, we last week elected the following officers:

President, Wilma Taylor; vice president, Joan Hughes; secretary, Elizabeth Mistiace; treasurer and reporter, Marjorie Prout.

Local Man Finds Skeleton In Santa Cruz Mountains

Joseph Orsi, 64 Rincon avenue, late Thursday afternoon found a skeleton in the hills near the Summit school on the Santa Cruz highway, while mushroom hunting with a party of friends.

The local man notified Officer Harry Evans, who phoned the news of the discovery to the sheriff's office, and on Friday, Orsi accompanied officials to the locality and located for them his gruesome find.

In the remains of the clothing on the skeleton, which coroner's deputies said had been lying there between three and four years, were found a fountain pen, 70 cents in small change, and an Admiral watch.

A small phial, found among the bones of the right hand, led officers to believe that the man had died a poison suicide.

Unlimited Quint Opens Season Here With S. C. Friday

Coach Noddin of the local basketeers is preparing a feast for hardwood fans here Friday when Campbell opens the heavy-weight basketball season in a joust with the hardy Santa Clarans.

The preliminary tussle features the 130-pound teams of the aforementioned schools. For Campbell, Coach Noddin will send in, regulars and subs, the following lads: forwards—Bloom, Condensa, Marlais, Farley, Stafford; centers—Brydon, Lovoi, Kawamoto; guards—Lear, Keesling, Wagner, Mattasch, Pisano, Hyde, Pellison.

The unlimited squad includes, forwards—Cramer, Person, Marlais, Stojanovich; centers—Cook, Knopf; guards—Fellman, Hocking, Brooks, Manfre, Anderson. These lads, in their pre-season tilt with St. Joseph's quint, exhibited a brand of team-work which would grace anybody's court. They have doubtless improved in the past two weeks, and it is quite fair to surmise that they will be a handful for the lads from the neighboring village of Santa Clara.

As an added attraction, Coach Noddin has secured the services of O. Y. Schmaelzle, the noted "Tall Boy" of Balboa high, San Francisco, as referee. It would be extremely gratifying, the coach intimated, if local fans will make a point of being on deck for the season opener.

SEA SCOUTS NET GOOD SUM AT 2ND ANNUAL PARTY

The Sea Scouts second annual card party, held at the grammar school Saturday evening, proved a pronounced social and financial success, the boys netting in the neighborhood of 35 dollars for the entertainment.

About 80 people were present, and tickets had been purchased by others who were unable to attend.

The lads have asked the Press to express for them their gratitude to S. N. Hedegard for the masterly manner in which he managed the tables, and to local business folks who contributed the many prizes which brightened the occasion.

Worthy Master L. E. Hendricks To Again Lead Grange

At a meeting of Orchard City grange last night, which was preceded by a 6:30 o'clock basket supper, an election of officers resulted in the following administration:

Worthy Master L. E. Hendricks, re-elected; overseer, Mark Purmort; chaplain, Mary Parkhill; steward, Werner Raab; assistant steward, Fred Hubbach; lady assistant, Mrs. Raab; gate keeper, Chauncey Watson; treasurer, E. K. Clendening; secretary, Mrs. Charlotte Sutter; goddeses Ceres, Pomona, and Flora, Marie Hendricks, Rose Hanger, and Violet Bohnett, in the order named; musician, Hattie Gardner; executive committee, William Woodbury, Harry Barnes, and S. N. Hedegard.

H. G. Keesling spoke briefly, urging grangers to be constantly on on the alert for possible new members, and S. N. Hedegard spoke on the all-absorbing question of water conservation.

UNEMPLOYMENT BOGEY IS CHASED OUT OF CAMPBELL

Unemployment in Campbell is practically nonexistant these days, with the California cannery, operated by James Dempsey, engaged in a spinich pack with about 175 women and 20 men on the pay roll for an estimated period of 50 days.

In addition to this helpful condition, many local men have found employment in the federal-financed county work, which started in this vicinity Friday when a large gang started to clean out the Los Gatos creek bed on both sides of the bridge, where they attacked huge piles of rusty cans and other cannery refuse, and made preparations to do away with a huge pile of garbage which has constituted an eyesore for a number of years.

It is believed that there will be winter work for all local men who want it.

Frances Smith and Takeru Higuchi Lead Honor Roll

Heading the local high school's scholastic honor roll this semester are Frances Smith and Takeru Higuchi, each with a perfect score of five "A's," for a total of 25 points apiece.

Closely following, with 23 points each, are Dennis Bennett, Wilbur Morton, Margaret Tanner and Sal Teresi. These students secured four "A's" and one "B." The honor roll of 33 scholars also includes the following names:

Hugh Cramer, June Porter, Verna Coonradt, Zeta Gill, Emily Bohnett, Elizabeth Hemmy, Joan Hughes, Dorothea Schmidt, Jeannette Wellington, Madeline Byrnes, Norma Fammatre, Homer Hyde, Lorraine Johnson, Suzuko Nishioka, Betty Starr, Leo Thiltgen, Melvil Voge, David Bohrman, Eva Facchino, Esther Kawamoto, Geo. Ono, Angelina Speciale, Barbara Van Every, Marie Viera, Suzuko Tamashita and Fumiko Yuki.

"Future Farmers" Attend Convention At Los Angeles

By Will Lester

The Campbell chapter of the Future Farmers of America thoroughly enjoyed the state convention of that organization at Los Angeles Nov. 29 to Dec. 3. Those who attended were Jack Belick, Nick Boyto, Louis Rovetto, Vernon Withers, Taru Ogino, Philip York, David Bohrman, and Will Lester. The group was accompanied by Mr. York, head of the department of agriculture at Campbell high, and by Mr. Daily of Los Gatos.

After boarding the train at 9 a. m. Wednesday, we traveled over the coast route of the Southern Pacific, arriving at Los Angeles about 9:30 p. m. This was the first trip on a train for most of the boys.

Seven o'clock the next morning came all too soon, as the street cars kept most of us awake during the night. Thursday was spent seeing Hollywood, and all regret that we did not see Mae West. Several of us went to see the Angelus Temple that evening, while others went to the theater.

Friday morning the Future Farmers held a convention program at the Alexander hotel. Here necessary business was transacted by the officers of all the state chapters. In the afternoon we visited the Cudahy packing plant, the largest meat-packing plant west of the Mississippi river. After leaving Cudahy's we went to Exposition park and saw the Coliseum and went through part of the museum. At 6 o'clock a banquet was held by the state chapters, and over 600 boys attended. Afterwards a short but interesting program proved to be both instructive and entertaining. Following the banquet about 40 boys visited the studios of KHJ and were shown how different sound effects are created, and also witnessed a drama that was being broadcast. After the drama, the operator took us through the sound-proof studios, and explained the apparatus.

Earl Saturday, everyone went to the Los Angeles stockyards where prize animals were exhibited, and a box lunch distributed at noon. Afterwards we left for the Coliseum to see the U. S. C.-Georgia football game. The next day everyone was on the train by 8 a. m., arriving in San Jose about 8 p. m.

The F. F. A. hope that they can sponsor a similar convention next year, and obtain the same low cost of transportation and entertainment. The Campbell chapter expects to have more members attend the convention next year, and hopes to make the meeting an even grater success.

Roosevelt Gives View On Water Project

The opinion of President Franklin D. Roosevelt on the proposed Central Valley water scheme is revealed in the following paragraph, received at Sacramento early this week by proponents of the plan:

"This great project which will give employment to more than 25,000 California men for at least three years, and which will pour $170,000,000 in federal money into California trade, is a vital and major step in California's business and industrial recovery."

Evangelist Long Closes Meetings Here Sunday

The revival campaign at the Full Gospel mission, now in its third week, is rapidly drawing to a close. The straightforward, serious and sincere messages of Evangelist J. W. Long have been a means of blessing to many, according to members of the church, who say that Mr. Long preaches a gospel of power; forceful and appealing, the message "goes home" to the hearts of his hearers. Those who have not yet heard him are urged to avail themselves of the opportunity to do so in the few days he remains here.

Services are held nightly in the I.O.O.F. building at 7:30, Sunday night being the closing night of the campaign. A hearty welcome is extended to all.

Mrs. Geo. Gordon Gives Shower for Mrs. G. Eddlemon

Mrs. George Gordon entertained a group of friends this afternoon at her home on South Third street. The occasion was asurprise shower for Mrs. Gayno Eddlemon.

Following the presentation of lovely gifts, the hostess, assisted by her mother, Mrs. Fred Rost, served delicious refreshments.

Others present to honor Mrs. Eddlemon were Mrs. James Burns, Mrs. Agnes Benefiel and little nephew, Jackie Miller, Mrs. Earl Eddlemon, Miss Shirley Eddlemon, Mrs. Warren Eddlemon, Mrs. Paul Marston, Mrs. R. H. Knappen, and Miss Lois Marston.

A food sale will be held Saturday at Gilson's market by the ladies of St. Lucy's guild.

Christmas Suggestions

HAND LOOM
Well built. Will take work up to 22 inches in width. An ideal Christmas gift.

CHEST
Of walnut. Small. Desireable as container for lingerie, hose, handkerchiefs, or for writing equipment. Bargain.

VANITIE
One small vanitie, with stool to match. Could be finished in enamel for youngster's bedroom.

SHELVES
Wall bracket shelves. Nice designs, 35c and up. Small bracket shelves, 20c and up.

FOOT STOOLS, 40c UP

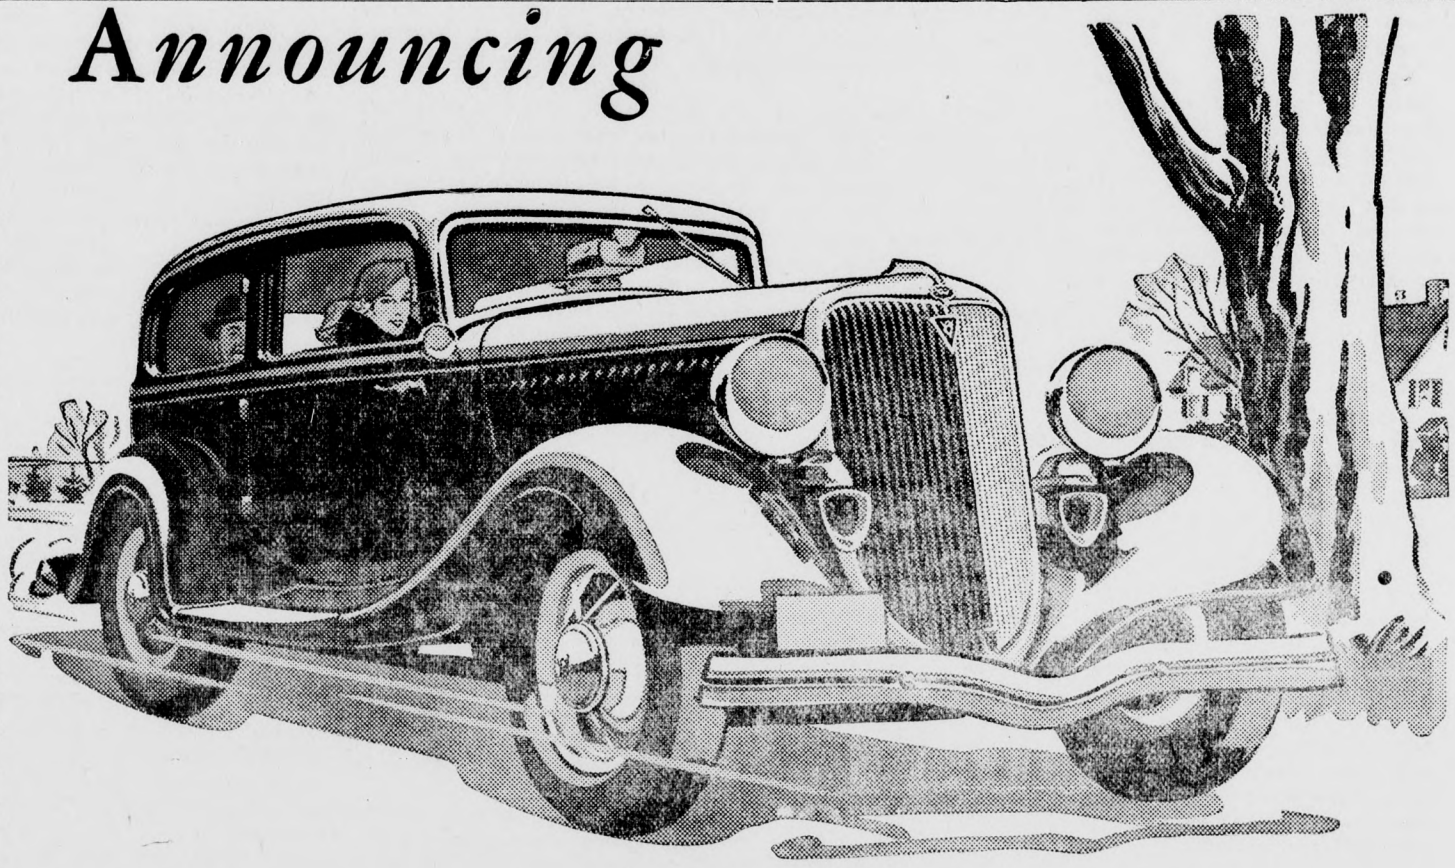
Announcing



NEW FORD V·8 *for* 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V-8

BETTER PERFORMANCE. Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New waterline thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

NEW VENTILATION SYSTEM permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot. Through this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

DISTINCTIVE NEW APPEARANCE enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvres, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

FENDERS IN COLOR. On De Luxe cars fenders are in color to harmonize with body colors —wheel colors optional. New enamel finish on all bodies and fenders has greater wearing quality and more enduring luster.

GREATER RIDING COMFORT results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 15-to-1 steering gear ratio.

PRICES REMAIN LOW—Tudor Sedan, $535. Coupe, $515. Fordor Sedan, $585. De Luxe Tudor, $575. De Luxe Fordor, $625. De Luxe Coupe (5 windows), $555. De Luxe Coupe (3 windows), $555. De Luxe Roadster, $525. De Luxe Phaeton, $550. Cabriolet, $590. Victoria, $610. (All prices f. o. b. Detroit.)

PERSONALS

Mrs. Clark Hobart, White Oaks road, has as house guest her sister, Mrs. T. D. Petch.

Still at large is a pet canary which escaped Friday afternoon from the classroom of Miss Phoebe Pugh at the grammar school. All hands including teachers and pupils, turned out in an attempted capture, but the bird eluded them and got outside the building.

The Union Home and School club met last week with Mrs. John Tonkin, president, presiding. The San Jose community players put on "If I Had Twelve Million," for their benefit. Plans were formulated for a Christmas party for the school children Dec. 21.

A family party celebrating their 50th wedding anniversary was held Sunday at the home of Mr. and Mrs. Frank Gardner.

George W. Ridley was a business visitor in Palo Alto Friday.

Mr. and Mrs. E. R. Kennedy left Saturday for points in the Imperial valley. They expect to return home about Dec. 22.

John Birnbaum, 2 miles almost due west of here on San Tomas, reports a fall of four inches of rain during the current precipitation. Since the first of September he has enjoyed a total rainfall of 6 inches.

KIWANIS NOTES
By Heck

"Boys" Work, a message out of a shoe box," was very interestingly portrayed by the Rev. J. A. Andrews of St. Paul's Methodist church of San Jose at Kiwanis luncheon yesterday.

In the course of his talk he displayed trophies gathered during his 18 years of scouting. With the query, "What is a boy worth?" he gave food for serious thought, and cited a few boys of questionable value who later became valuable citizens.

With telling examples he stressed the natural inborn hunger of boys for knowledge, adventure. friendship, understanding, self-expression and God.

George Burrow, big brother of local scouts, was chairman in the absence of Russ Kennedy.

Harry Mitchell, chairman of the charter board of freeholders, will speak next Tuesday on the proposed new charter. This is a very interesting topic, and should draw a full house.

The annual Kiwanis children's Christmas tree party has been set for Dec. 26.

Dr. and Mrs. Weyland Morgan were recent visitors at Chowchilla.

Mrs. E. H. Todd, Mrs. E. H. Blakey, and Mrs. W. C. Magneson form the committee in charge of a Christmas party which will be held by We and Our Neighbors at the club house Saturday afternoon. Each member is asked to bring a child and a gift.

Word has been received from the F. R. James family who recently went to Winters, where Mr. James has charge of a large ranch. The family will be greatly missed here where they took an active part in Congregational church work. Miss Evelyn was a faithful and esteemed member of the choir, and at her last rehearsal with that organization, was presented with a little token of appreciation and friendship by the choir.

Mr. and Mrs. George Stray and son returned Saturday to their home in Bakersfield after enjoying a month's vacation here with the Stray and Robson families. Mrs. W. H. Stray accompanied them and will visit there until Christmas, when Miss Helen Stray will bring her home as she comes north for the Christmas vacation.

The Campbell high school orchestra will play Saturday evening at an entertainment and installation of officers of Charity lodge, 362 F. & A. M.

Mr. and Mrs. H. C. Gardner and daughter Constance were recent visitors in Santa Cruz.

Mr. and Mrs. Floyd Bohnett and children spent Sunday in a visit to Carmel and the Big Sur.

Recent visitors to Crockett were Mr. and Mrs. Gilbert Newcomb and daughter Georgiana and Mrs. Elizabeth Duncan and son John.

A Christmas play will be given at the Cambrian school on Friday, Dec. 20.

An exhibition of weaving done by adult classes at the local high school was held in the annex this afternoon between 1 and 5 o'clock. Tea was served, and the work explained by Mrs. Agnes Roberts, director of the class.

Christmas Message From Campbell Relief Committee

For the first time in years, all able-bodied men of Campbell are assured of a winter's work. Especially is this true of all who in former years have been on the relief roll of our community chest.

Usually, before Christmas time, there has been a great demand on our relief treasury for food and clothing. This continues through the winter months, the condition relieved only by intermitent spurts of work in spinach or in packing houses in nearby communities. This year finds the demand greatly reduced, for Red Cross and federal surplus committees are taking care of much of the need for clothing and farm products for those on the relief roll, and the civic works program has put to work for 90 days, 30 hours per week at 45 cents an hour, all those on the relief roll who responded to the call for workers, and in addition, many more unemployed men.

The Campbell Relief society therefore feels that its usual wholesale giving of grocery orders at Christmas time can be dispensed with in view of the fact that many of these families had work through the summer and are better off than at any time in recent years. However, we know that there is still great anxiety in some homes. We all know people whose incomes have been entirely wiped out, people who had saved for a rainy day, but who have lost all. Lodge memberships, insurance, even church affiliations have had to suffer because of such embarrassments. Among this class are those who are aged or otherwise handicapped, and it is to such people that we beg you to bend your Christmas efforts, not in the attitude of cold, commercial benevolence, but with a quiet, tactful, sisterly or brotherly manner. This is the one time when we can earnestly beseech you to "Keep from your left hand what the right hand is doing" with the same secrecy that you use in playing "Santa" to little Mary or Johnnie. Give to these friends of our, who for years have marched shoulder to shoulder with us in every respectable community effort.

However, if we, as the Campbell Relief society, know of any need for its service within the district, that duty will be taken care of quickly and efficiently.

As a parting word, try to avoid duplication and publicity.

—Campbell Relief Committtee

"No, children, Santa Claus does not mind cold weather."

"Just the same, Grandma, I think he likes our house because we have Natural Gas heating."

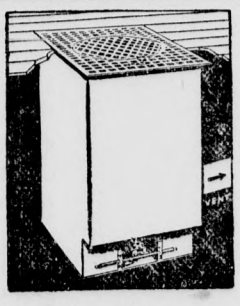
Natural Gas

Naturally THE BETTER FUEL

WHAT a problem weather changes make for the home with an old-fashioned heating system! In the morning the question as to whether the furnace or the fire should be started or not. Or just how big a fire should one make? Then, perhaps a good fire is started and the sun comes out and the house becomes unbearably warm. These things mean discomfort. They may cause winter colds in the head. They mean added work and fuel waste.

Indeed, in every way Natural Gas Heating is the most carefree method of heating the home. Fuel is delivered automatically, and is always on hand. Uniform temperature is maintained within the home at all times regardless of outside weather.

Now about your home. Is it ready for changeable weather? Investigate Natural Gas Heating. It is reliable, it is healthful, it is inexpensive. Be comfortable this winter. Install Natural Gas Heating equipment now.



Floor Furnace

Solves the heating problem for homes without a basement. Highly praised by thousands. Saves floor space and is easy and most economical to install and operate.

Circulating Heater

Attractive, low in first cost and highly efficient. It heats two to four rooms. Made in many sizes and styles. Extremely economical to operate.

HEALTH'S FOUNDATION IS LAID IN CHILDHOOD

NEARLY all children need more vitamins than ordinary foods provide. Without sufficient vitamins A and D in particular, you can't expect them to grow into the strong, virile adults you like to picture them.

Soon after an infant is first cuddled into its mother's arms is the time to begin helping its bones to become strong, its teeth sound and its resistance to childhood ills well established.

Scott's Emulsion of Cod Liver Oil is not only rich in these precious vitamins A and D, but being an emulsion it is easily digested. It can't harm tiny stomachs. It is pure, easy to take (no disagreeable taste or odor)—and in its sixty years has proved its efficacy to millions of users. Get a bottle—*today*. All druggists—60c and $1.20.

NOTICE OF TRUSTEE'S SALE
No. S-5376

NOTICE IS HEREBY GIVEN: That default has been made in the payment of the interest, taxes and other sums agreed to be paid under the contract secured by that certain deed of trust executed by M. F. Hughes and Helena Hughes, his wife, as trustors, to Allen Rudolph and F. L. Johnston as trustees, and San Jose Building and Loan Association, a corporation, as beneficiary, dated October 9, 1929 and recorded on October 10, 1929 in Volume 481 of Official Records, page 263, Records of Santa Clara County, California:

AND WHEREAS on March 31, 1930 the name of said San Jose Building and Loan Association, a corporation, was changed to San Jose Pacific Building and Loan Association:

AND WEREAS the San Jose Pacific Building and Loan Association, formerly San Jose Building and Loan Association, a corporation, the beneficiary under said deed of trust, did on the 22nd day of July, 1933 record in the office of the County Recorder of the County of Santa Clara, State of California, a notice of such default and of its election to cause the property covered by and described in said deed of trust to be sold to satisfy said obligation secured by said deed of trust, which notice is of record in Volume 660 of Official Records, page 34, Santa Clara County Records:

And more than three months having expired since the recording of said notice:

AND WHEREAS said San Jose Pacific Building and Loan Association discharged said Allen Rudolph and F. L. Johnston as trustees under said deed of trust and appointed The R. G. Hamilton Corporation, Ltd., a corporation as trustee thereunder by instrument dated June 25, 1930, and recorded in Volume 519 of Official Records, page 329, Santa Clara County Records:

AND WEREAS the name of the R. G. Hamilton Corporation, Ltd., a corporation, has been duly and regularly changed to San Jose Pacific Company, Ltd., by certificate filed in the office of the Secretary of State of the State of California on May 6, 1931:

And application in writing having been made to the San Jose Pacific Company, Ltd., formerly The R. G. Hamilton Corporation, Ltd., as trustee under said deed of trust by the San Jose Pacific Building and Loan Association, a corporation, formerly San Jose Building and Loan Association, the owner and holder of the contract and deed of trust securing the same, that the said undersigned, San Jose Pacific Company, Ltd., as trustee under said deed of trust, sell the premises by said deed of trust conveyed and hereinafter described, as by said deed of trust provided:

NOW THEREFORE the undersigned trustee will on Thursday the 7th day of December, 1933, at the hour of 10:00 o'clock A. M. of that day, at the front door of the County Court House in the City of San Jose, County of Santa Clara, State of California, in pursuance of the provisions of said deed of trust, sell at public auction to the highest bidder for cash in United States gold coin, or lawful money, the land and premises situate in the County of Santa Clara, State of California, described as follows:

Beginning at a point which is on a line 2 feet Easterly measured at right angles from the Easterly line of Santa Clara and Los Gatos road, 50 feet wide, being distant along said line parallel with said Easterly line of said Road North 60 feet from the Southerly line of Lot 1 as shown upon the map of P. G. Keith's Subdivision in the Northwest 1-2 of Section 26, T. 7 S. R. 1 W. M. D. M., which said map is of record in the office of the County Recorder of the County of Santa Clara, State of California, in Book "D" of Maps, page 169, and running thence from said point of beginning and parallel with the Easterly line of said Road and 2 feet Easterly therefrom North 60 feet; thence S. 89 degrees 26 minutes E. and parallel with the said Southerly line of said Lot 1, 316 feet 10 inches to a 2"x3" stake; thence South and parallel with the Easterly line of said Road 60 feet to a 2"x3" stake thence North 89 degrees 26 minutes W. and parallel with the said Southerly line of said Lot 1, 316 feet 10 inches to the point of beginning, and being a part of said Lot 1 of P. G. Keith's Subdivision hereinabove referred to.

Subject to all taxes levied or assessed against said property.

Terms of sale cash in United States gold coin or lawful money, ten per cent payable at time of sale, balance on delivery of deed, and if not so paid, unless on account of defective title, said ten per cent to be forfeited and sale to be void. Acts of sale at purchaser's expense.

Dated November 9th, 1933.

A surprise party, staged by a group of friends Monday evening, celebrated the birthday of Mrs. Julius Bachman.

PERSONALS

Miss Helen Kalas will sing the soprano solos in the community singers' presentation of "Messiah" at Scottish Rite temple in San Jose Friday night.

Mrs. Harry C. Smith and Mrs. D. H. Cramer represented two of the local clubs at Friday's meeting of the Santa Clara County Federation of Women's Clubs at Palo Alto. Other community organizations represented at the meeting included the Moreland Good Will club and We and Our Neighbors of Union district.

The annual meeting of the Congregational guild will be held in the church Thursday afternoon beginning at 2 o'clock. A full and prompt attendance is requested, as important business must be transacted.

Mr. and Mrs. J. R. Lynden are receiving congratulations on the arrival of a granddaughter, Doreen Elizabeth, born at Berkeley last Wednesday, Dec. 6, to their son-in-law and daughter, Mr. and Mrs. J. W. Farr.

The N. O. Bests were hosts to a group of friends at dinner Saturday evening.

The current rain has made necessary a bus-ferry service between the main school building and the high school annex, as the ground between the two buildings has taken on the appearance of a lake the last few days.

A student body dance held at the high school annex Friday was well attended by students and teachers. The school dance orchestra furnished music.

EIGHTY YEARS OF BUILDING

THAT is what is represented by the Pacific Gas and Electric Company of today. The little gas company of pioneer San Francisco had a dozen miles of main and two or three hundred customers. Today's company, which grew out of it, extends into forty-five Northern California counties. Its customers number 1,250,000 and it serves a territory covering 89,000 square miles.

This great growth has been more than a mere part of the growth of the state itself. It has kept ahead of that growth and has been an important factor in promoting it. Our policy always has been to build ahead of demand, so that service would be available without delay when and where required.

All this progress did not "just happen." It resulted from careful planning, prudent management, sound policies. Periods of business stress were encountered when the company's future looked black indeed. Strenuous competition had to be met. Political attacks had to be endured. But the company survived and developed with friendly, courteous service and rates among the lowest in the country, building good will with the public and creating satisfied customers.

This company is not any one man's property; it is not the property of any group of men. It belongs to 90,000 stockholders, whose savings have been invested in the company. Eighty per cent of these stockholders live in California. The money paid them in dividends, and the money paid to other thousands as bondholders, goes into every community in the state and circulates to stimulate business in every channel of trade and industry.

These stockholders are the Pacific Gas and Electric Company. The management is made up of men hired to run this great enterprise because of their special training and consequent qualifications for the job.

Pacific Gas and Electric Company is in, of and for California. It strives to be patriotically Californian. It cooperates in every sound movement for the promotion of California's welfare. It employs more than 10,000 California citizens, whose wages help business everywhere. It is one of the state's largest buyers of California-produced materials and supplies.

It pays more in taxes than it does in dividends. Out of every dollar collected, approximately 14 cents is paid out in federal, state and local taxes.

Under the law the company is entitled to a fair return on its investment. This it must earn if it is to continue to render adequate service.

We have built with and for California for eighty years. We shall strive to build with and for California in the years to come.
